

The Ninth International Conference on Hybrid Intelligent Systems

August 12-14, 2009

Shenyang, Liaoning, China

Honorary Chairs:

Da-Yu Zhao, Shenyang Normal University, China
Chun-Hsiung Fang, National Kaohsiung University of Applied Sciences, Taiwan

International Advisory Committee Board:

Francisco Herrera, University of Granada, Spain
Christopher Johns Price, Aberystwyth University, UK
Hu Lin, Shenyang Institute of Computer Technology of Chinese Academy Sciences

International Conference Chairs:

Jeng-Shyang Pan, National Kaohsiung University of Applied Sciences, Taiwan
Jie Liu, Shenyang Normal University, China
Ajith Abraham, Norwegian University of Science and Technology

International Program Committee Chairs:

Ge Yu, Northeastern University, China
Mario Koppen, Kyushu Institute of Technology, Japan
Shyi-Ming Chen, National Taiwan University of Science and Technology, Taiwan
Xia-Mu Niu, Harbin Institute of Technology, China

International Invited Session Chairs:

Tzung-Pei Hong, National Kaohsiung University, Taiwan
Wanlei Zhou, Deakin University, Australia

Publication Chairs:

Zili Zhang, Deakin University, Australia
Baolong Chang, National Taitung University

Publicity Chair:

Zhe-Ming Lu, Sun Yat-Sen University, China
Ming-Hung Shu, University of Washington, USA

Electronic Media Chairs:

Mong-Fong Horng, National Kaohsiung University of Applied Sciences, Taiwan
Xiaofei Xu, Harbin Institute of Technology, China

Finance Chairs:

Qing-Dong Du, Shenyang Normal University, China
Jui-Fang Chang, National Kaohsiung University of Applied Sciences, Taiwan

Local Organizing Committee Chair:

Tian-Hua Liu, Shenyang Normal University, China

Contact:

Prof. Hsiang-Cheh Huang
E-mail: huang.hc@gmail.com

Prof. Qing-Dong Du

The ninth International Conference on Hybrid Intelligent System will be held in Shenyang on 12-14 August, 2009. The conference is hosted by Shenyang Normal University, the Proceeding will be published by IEEE CS Press. Selected papers will be published in several Journal Special issues (to be announced).

SCOPE:

Topics of interest include, but are not limited to:

- Hybrid Intelligent Systems: Architectures and Applications
- Soft Computing for Image and Signal Processing
- Intelligent Internet Modeling, Communication and Networking
- Intelligent Data Mining
- Computational Biology and Bioinformatics
- Intelligent Business Information Systems
- Soft Computing for Control and Automation
- Multi Agent Systems and Applications
- Intelligent Sensor Network and Systems
- Optimization and Decision Making
- Intelligent Machine Learning
- Intelligent Digital Watermarking and DRM
- Others

Paper Submission:

Papers are invited from prospective authors with interest on the related areas. Each paper should consist of a title, authors' names, postal and email addresses, an up to 150-words abstract, a two-column body with 4 to 6 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only. Detail instructions will be available in the conference Websites :

<http://his2009.net/index.asp> and
<http://bit.kuas.edu.tw/~his09/> .

Important Dates:

Deadline for submission of full papers: 1 March, 2009
Acceptance/Rejection notification: 14 April, 2009
Final camera-ready papers due: 1 May, 2009

The Conference Proceedings will be published by IEEE Press.
