

*Fourth International Conference on Genetic and Evolutionary Computing
(ICGEC-2010)*

December 13-15, 2010, Shenzhen, China

Call for Paper

**Invited Session on Computational Intelligence Techniques in
Network Computing and Internet Applications**

Session Organizer: Prof. Guiran Chang

We are organizing an invited session on Computational Intelligence Techniques in Network Computing and Internet Applications for ICGEC-2010, which will be held in Shenzhen, China on December 13-15, 2010. This session deals with new technologies for embedded system and application. Topics of interest include, but are not limited to:

1. Genetic and Evolutionary Programming in Grid and Cloud Computing
2. Game Theory for Resource Management and Scheduling in Grid and Cloud Computing
3. Economic Models for Resource Allocation in Grid and Cloud Computing
4. Novel Approaches and Applications of Cloud Computing
5. Applications of Genetic and Evolutionary computing to P2P Networks
6. Intelligent Techniques for Web Personalization
7. Page Ranking and Recommendation Algorithms
8. Domain oriented Web search engines
9. Intelligent Multimedia Services in New Generation Networks
10. Other topics related to Intelligent Techniques in Network Computing and Applications

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to: Prof. Guiran Chang at chang@neu.edu.cn or silver_chuan@hotmail.com.

Important Dates:

Deadline for paper submission: May 31st, 2010

Notification of acceptance: July 31st, 2010

Deadline for camera-ready manuscript submission: August 31st, 2010
