Fourth International Conference on Genetic and Evolutionary Computing
(ICGEC-2010)
December 13-15, 2010, Shenzhen, China

Call for Paper

Invited Session on Computational Intelligence for Applications in Engineering

Session Organizer: Prof. Mingyue Ding & A. Prof. Ming Yuchi

We are organizing a special session on Application of Intelligence Computation for The fourth international conference on genetic and evolutionary computing 2010 (ICGEC 2010) which will be held in Shenzhen city in December 13-15, 2010. It brings together researchers working across this field to share their experience and discuss advanced techniques. Topics of interest include, but are not limited to:
– Computational Intelligence for Control Engineering
– Computational Intelligence for Computer Vision
– Computational Intelligence for Biomedical Engineering
– Computational Intelligence for Data Mining
– Computational Intelligence for Bioinformatics

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-word abstract, and a two-column body with 4 single-spaced pages and with font size at 10 points. All papers must be submitted electronically in PDF format only and be mailed to m.yuchi@gmail.com or myding@mail.hust.edu.cn The conference proceedings will be published by IEEE press and indexed by EI.

Important Dates:

The deadline for paper submission: May 31, 2010
The date for notification or reviewing result: July 31, 2010
The deadline for camera-ready paper submission: August 31, 2010
