

ICGEC-2010 Invited Sessions

The Fourth International Conference on Genetic and Evolutionary Computing
December 13 – 15, 2010, ShenZhen, China
<http://bit.kuas.edu.tw/~icgec10/>

Session Title

Natural Language Processing and Intelligent Computation (NLPIC)

-Call for Paper

We are organizing an invited session on Natural Language Processing and Intelligent Computation for ICGEC-2010, which will be held in Shenzhen, China on December 13-15, 2010. We expect that individuals and research institutions in the areas of both Intelligence Computation and NLP could pay attention to this session, which may contribute to boost these two areas.

The topics of the session include, but are not limited to:

1. Genetic algorithms for natural language processing;
2. Genetic algorithms for speech processing.
3. Computational intelligence and semantic computation;
4. Application issues of NLP based computational intelligence.
5. Other topics of relevance in computational intelligence and NLP application etc.

Important Dates

The deadline for paper submission	May 31, 2010
The date for notification	July 31, 2010
The deadline for camera-ready paper submission	August 31, 2010

Paper Submission

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE paper format (DOC, LaTeX Formatting Macros, PDF) with title, authors' names, affiliations and email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to: PhD. Peng Jin at jandp@lstc.edu.cn.

Any questions, please feel free to contract with following organizers:
