Call for Paper

ICGEC-2011-IS11
Invited Session on Distributed Network Security
Session Organizer: Dr. Zhenhua Tan

We are organizing an invited session on Distributed Network Security for ICGEC-2011, which will be held in Kinmen City, Taiwan on August 29 – September 1, 2011. This session deals with new technologies for distributed systems and principals. Topics of interest include, but are not limited to:

1. Routing Security for all kinds of networks especially in overlay network
2. Cryptology for network information especially in distributed network
3. Trust measurement for network information
4. New technologies or idea in IDS
5. Uncertain data management for low-bandwidth network such as sensor networks
6. Distributed worm/virus model research and its recovery or defense study
7. Copyright management for network sharing system
8. Mobile network security
9. New application or theory for network information security

Submissions:
Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to: Prof. Zhenhua Tan at tanzhenhua192@126.com

Important Dates:
Deadline for paper submission: April 30, 2011
Notification of acceptance: May 31, 2011
Deadline for camera-ready manuscript submission: June 30, 2011
