

*Fifth International Conference on Genetic and Evolutionary Computing  
(ICGEC-2011)  
August 29 – September 1, 2011, Kinmen City, Taiwan and Xiamen, China*

Call for Paper

**ICGEC-2011-IS23**

**Invited Session on High Speed Computing Architecture and Applications  
Session Organizer: Prof. Jim-Min Lin**

We are organizing an invited session on High Speed Computing Architecture and Applications for ICGEC-2011, which will be held in Kinmen City, Taiwan and Xiamen, China on August 29 – September 1, 2011. We would like to encourage you (and your co-workers) to send high-quality original research articles. The session invites the works on all aspects of the High Speed Computing Architecture and Applications. Topics of interest include, but are not limited to:

- High Speed Computing Architecture
- High Speed Computing Algorithms
- Using GPU in high speed computing
- Case studies of high speed computing architecture and applications
- Performance evaluation of high speed computing
- ...

**Submissions:**

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to: Prof. Jim-Min Lin at jimmy@fcu.edu.tw, at jimmy@fcu.edu.tw.

**Important Dates:**

Deadline for paper submission: April 30, 2011

Notification of acceptance: May 31, 2011

Deadline for camera-ready manuscript submission: June 30, 2011

**For more information please contact:**
