

# **The Eighth International Conference on Genetic and Evolutionary Computing (ICGEC 2014)**

**October 18-20, 2014, Nanchang, China**

## **CALL FOR PAPERS**

SPECIAL SESSION: **Wearable Computing and Intelligent Data Hiding**

This special session combines advanced research themes in wearable computing and data hiding. The special session provides an international forum for researchers and specialists from the fields of wearable computing and information security. Other related topics such as context-aware, health care for elders, activity recognition, security in wireless sensor networks, etc. are welcome to be shared in this session.

Full Paper Due Date: **July 10**, 2014

Notification: **July 25**, 2014

Registration and Final version Date: **August 10**, 2014

## **SUBMISSION OF PAPERS**

Papers are invited from prospective authors with interests in this special session and related areas of application. All contributions should be original and not published elsewhere or intended to be published during the review period. Contributions from applied related fields in industry and commerce are very welcome. All papers are submitted electronically in PDF format to the special session organizers. Details of the required paper format are available at the ICGEC2014 website (<http://bit.kuas.edu.tw/~icgec14/>). For further information, please contact

### **Special Session Organizers:**

Dr. Wen-Fong Wang (wwf@yuntech.edu.tw)

National YunLin University of Science and Technology, Taiwan.

Dr. Ching-Yu Yang (chingyu@npu.edu.tw)

National Penghu University of Science and Technology, Taiwan.
