

Fourth International Conference on Innovative Computing, Information and Control (ICICIC-2009)

December 7-9, 2009, Kaohsiung, Taiwan

Call for Paper

Invited Session on Human Information Technologies

Session Organizer: Prof. Tsuyoshi Ideguchi

We are organizing an invited session on Human Information Technologies for ICICIC-2009, which will be held in Kaohsiung, Taiwan on December 7-9, 2009. This session deals with new technologies for human comfortable and high quality life. Topics of interest include, but are not limited to:

1. Application system in consideration of human sensation features and human feeling (Kansei) characteristics.
2. Virtual reality systems or audio and visual media technologies reinforcing human sensation or human feeling (Kansei).
3. Estimation technologies for human sensation features and human feeling (Kansei) characteristics.
4. Human interface technologies.
5. Handicapped person support systems with human sensation assist.

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to: tideguti@ktmail.tokai-u.jp

Important Dates:

Deadline for paper submission: May 1st, 2009

Notification of acceptance: June 15th, 2009

Deadline for camera-ready manuscript submission: July 15th, 2009
