

Fourth International Conference on Innovative Computing, Information and Control (ICICIC-09)

December 7 - 9, 2009, Kaohsiung, Taiwan

Call for Paper Invited Session on

Innovative Computing Methods in Finance and Management

Session Organizers : Prof. Chunhui Xu, Prof. Min Huang

We will organize a special session on “Innovative Methods in Finance and Management” for ICICIC 2009, which is to be held in Kaoshong, Taiwan on December 7-9.

This session deals with new methods for modeling and solving complicated problems in finance and management. Topics of interest include, but are not limited to:

- | | |
|---|---|
| 1. Portfolio selection and management | 4. Nonlinear optimization: methods and applications in management. |
| 2. Risk measuring and controlling in finance and industrial management. | 5. Stochastic optimization: methods and application in finance and insurance. |
| 3. Risk financing: models and resolution. | 6. Supply chain and logistics management: models and optimizations |

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to xchunhui@yahoo.co.jp, or, mhuang@mail.neu.edu.cn.

Important Dates:

Deadline for paper submission,	May 1, 2009
Notification of acceptance,	June 15, 2009
Deadline for camera-ready manuscript submission	July 15, 2009
