

Fourth International Conference on Innovative Computing, Information and Control (ICICIC-2009)
December 7-9, 2009, Kaohsiung, Taiwan

Call for Paper

Invited Session on Innovative Computing for Image Analysis
Session Organizer: Prof. Chuan-Yu Chang

I am organizing an invited session on Innovative Computing for Image Analysis for ICICIC-2009, which will be held in Kaohsiung, Taiwan on December 7-9, 2009. It brings together researchers working across this field to share their experience and discuss advanced techniques. Topics of interest include, but are not limited to:

1. Innovative computing for image content analysis
2. Innovative computing for medical image analysis
3. Innovative computing for facial expression analysis
4. Innovative computing for face detection and recognition
5. Innovative computing for automatic optical inspection
6. Innovative computing for image segmentation and clustering
7. Other applications of image analysis

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to: Prof. Chuan-Yu Chang at chuanyu@yuntech.edu.tw.

Important Dates:

Deadline for paper submission: May 1, 2009

Notification of acceptance: June 15, 2009

Deadline for camera-ready manuscript submission: July 15, 2009
