

**Fourth International Conference on Innovative Computing,
Information and Control (ICICIC-2009)
December 7-9, 2009, Kaohsiung, Taiwan
CALL FOR PAPERS**

SPECIAL SESSION: *Ubiquitous Multimedia Services and Innovative Applications for Residential Users*
Session Organizer: Prof. Mong-Fong Horng

The technology of multimedia services, particularly about multimedia applications for residential users, demonstrates exponential-growth in research and industrial. To share the experiences of research, development, deployment and maintenance, this special session invites worldwide colleagues to present their contributions in (but not limited)

1. Software and hardware implementations/designs for mobile multimedia applications
2. Intelligent multimedia services for smart home
3. Signal processing approaches for multimedia communications and networks
4. Multimedia applications for e-commerce, education, health-care, and learning.
5. Multimedia signal processing and algorithms
6. Systems implementation for residential multimedia services

Important Dates:

Deadline for paper submission: May 1, 2009

Notification of acceptance: June 15, 2009

Deadline for camera-ready manuscript submission: July 15, 2009

SUBMISSION OF PAPERS

Papers are invited from prospective authors with interests in this particular special session and related areas of application. All contributions should be original and not published elsewhere or intended to be published during the review period. Contributions from more applied related fields in industry and commerce are very welcome. All papers are to be submitted electronically in PDF format to the special session organisers. Details of the required paper format are published at the official ICICIC09 website (<http://bit.kuas.edu.tw/~icic09/>).

For further information, please contact:

Special Session Organisers:

Dr. Shi-Huang Chen (shchen@mail.stu.edu.tw), Department of Computer Science & Information Engineering, Shu-Te University, Taiwan, ROC

Dr. Mong-Fong Horng (mfhorng@ieee.org), Dept. of Electronics, National Kaohsiung University of Applied Sciences, Taiwan, ROC
