Call for Paper

Invited Session on Innovative Intelligent System and Control

Session Organizer: **Dr. Akira Yanou** (Okayama University, Japan)

Dr. Takao Sato (University of Hyogo, Japan)

We are organizing an invited session on Innovative System and Control for ICICIC-2009, which will be held in Kaohsiung, Taiwan on December 7-9, 2009. This session deals with new technologies for **intelligent system, advanced system and control applications**. Topics of interest include, but are not limited to:

1. control theory;
2. intelligent system;
3. innovative computing system;
4. mechanical system;
5. fault diagnosis;
6. image processing;
7. system design;
8. Others about control and system;

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts.
