

**FOURTH INTERNATIONAL CONFERENCE ON INTELLIGENT  
INFORMATION HIDING AND MULTIMEDIA SIGNAL PROCESSING  
(IIHMSP08)**

**August 15 - 17, 2008**

**Harbin, China**

**CALL FOR PAPERS**

**SPECIAL SESSION:      *WIRED      AND      WIRELESS      MULTIMEDIA  
NETWORKING AND APPLICATIONS***

This special session combines advanced research themes in wired and wireless multimedia networking, as well as applications. The special session will provide an international forum for researchers and academicians in (but not limited)

1. Multimedia networking (wired networks, wireless networks, multimedia communications, multimedia systems, etc.)
2. Network security
3. Network performance analysis, and network protocol
4. Network applications, and systems engineering for multimedia systems.

**Full Paper Due Date:** February 15, 2008

**Notification:** March 31, 2008

**Camera-ready Paper Deadline:** April 30, 2008

**SUBMISSION OF PAPERS**

Papers are invited from prospective authors with interests in this particular special session and related areas of application. All contributions should be original and not published elsewhere or intended to be published during the review period. Contributions from more applied related fields in industry and commerce are very welcome. All papers are to be submitted electronically in PDF format to the special session organizers. Details of the required paper format are published at the official IIHMSP08 website (<http://bit.kuas.edu.tw/~iihmSP08/>).
