

**The Fifth International Conference on
Intelligent Information Hiding and Multimedia Signal Processing (IIH-MSP'09)
September 12 - 14, 2009
Kyoto, Japan**

Call for Papers

Special Session: *Intelligent Watermarking Techniques, Image Authentication and Visual Cryptography*

The special session is intended to foster the dissemination of state-of-the-art research in the area of watermarking techniques, image authentication and visual cryptography. The goal of this special session is to bring together researchers from academia and industry as well as practitioners to share ideas, problems, and solutions relating to the multifaceted aspects of watermarking techniques, image authentication and visual cryptography.

Paper submission deadline	March 5, 2009
The date for notification	May 10, 2009
Camera-ready paper deadline	May 31, 2009

Submission of Papers

Papers are invited from prospective authors with interests in this particular special session and related areas of applications. All contributions should be original and not published elsewhere or intended to be published during the review period. Contributions from related fields in industry are very welcome. Details of the required paper format are published at the official IIH-MSP 2009 website (<http://bit.kuas.edu.tw/~iihmsp09/>).

For further information, please contact:

Special Session Organizer:

Dr. Chia-Chen Lin (mhlin3@pu.edu.tw), Department of Computer Science and Information Management, Providence University, Taiwan
