

**FIFTH INTERNATIONAL CONFERENCE ON INTELLIGENT
INFORMATION HIDING AND MULTIMEDIA SIGNAL
PROCESSING**

(IIHMSP09)

September 12-14, 2009

Kyoto, JAPAN

CALL FOR PAPERS

**SPECIAL SESSION: PROTECTION AND AUTHENTICATION FOR
MULTIMEDIA INFORMATION**

Recently, the issue about protection and authentication for multimedia information is raised and thought highly, and there are many novel schemes were proposed applied on digital audio, digital image and digital video in related literatures. This special session will focus on novel research results in protection and authentication of multimedia information. We solicit papers covering various technique and application from researchers and experts in the fields of multimedia information security and protection, such as authentication, integrity verification, data hiding and watermarking.

Full Paper Due Date: March 15, 2009

Notification: May 1, 2009

Camera-ready Paper Deadline: June 1, 2009

Submission of Papers

Papers are invited from prospective authors with interests in this particular special session and related areas of application. All contributions should be original and not published elsewhere or intended to be published during the review period. Contributions from more application-oriented fields in industry and commerce are very welcome. All papers are to be submitted electronically in PDF format to the special session organizers. Details of the required paper format are published at the official IIHMSP09 website (<http://bit.kuas.edu.tw/~iihmosp09/>).
