

**THE SIXTH INTERNATIONAL CONFERENCE ON INTELLIGENT
INFORMATION HIDING AND MULTIMEDIA SIGNAL PROCESSING
(IIHMSP2010), October 15-17, 2010**

Darmstadt, Germany

CALL FOR PAPERS

**SPECIAL SESSION: *Ubiquitous Multimedia Services and Applications
for Residential Users***

The technology of multimedia services on Internet, particularly about multimedia applications for residential users, demonstrates exponential-growth in research and industrial. To share the experiences of research, development, deployment and maintenance, this special session invites worldwide colleagues to present their contributions in (but not limited)

1. QoS technology for multimedia networks
2. Client and server design for mobile multimedia services
3. Multimedia cloud service systems
4. Software and hardware implementations/designs for mobile multimedia applications
5. Intelligent multimedia services for smart home
6. Signal processing approaches for multimedia communications and networks
7. Multimedia applications for e-commerce, education, health-care, and learning.
8. Multimedia signal processing and algorithms for streaming, caching and multicasting systems
9. Systems implementation for residential multimedia services

Full Paper Due Date: April 4, 2010

Notification: May 31, 2010

Camera-ready Paper Deadline: July 2, 2010

SUBMISSION OF PAPERS

Papers are invited from prospective authors with interests in this particular special session and related areas of application. All contributions should be original and not published elsewhere or intended to be published during the review period. Contributions from more applied related fields in industry and commerce are very welcome. All papers are to be submitted electronically in PDF format to the special session organisers. Details of the paper format are available from website (<http://bit.kuas.edu.tw/~iihmSP10/>).

For further information, please contact:

Special Session Organisers:

Prof. Wen Shyang Hwang (wshwang@mail.ee.kuas.edu.tw), Dept. of Electrical Engineering, National Kaohsiung University of Applied Sciences, Taiwan

Dr. Mong-Fong Horng (mfhorng@cc.kuas.edu.tw), Dept. of Electronics Engineering, National Kaohsiung University of Applied Sciences, Taiwan
