

## **Special Session on Privacy and Security in Biometrics**

To take part within the 6<sup>th</sup> Int. Conf. on Intelligent Information Hiding and Multimedia Signal Processing (IIH-MSP 2010) October 15-17, 2010 Darmstadt, Germany

IIH-MSP 2010 is the Sixth International Conference on Intelligent Information Hiding and Multimedia Signal Processing. The conference this year is hosted by Technische Universität Darmstadt, Germany in collaboration with the Fraunhofer-Institut für Graphische Datenverarbeitung IGD, Darmstadt, Germany. For more information visit the website http://www.igd.fraunhofer.de/igd-a8/iihmsp10/.

This special session on Privacy and Security in Biometrics is a dedicated session that aims to foster closer interactions among researchers and users communities, providing an excellent opportunity for them to meet and discuss their ideas about privacy and security aspects of Biometric Systems and Protocols and related issues. We invite researchers and professionals in the area of Biometrics to submit full-papers presenting high quality original research and development in the following topics, but not restricted to them:

- Template protection and biometric encryption
- Information leakage in biometric systems
- Security evaluation of biometric systems
- Standardization in the area of biometric security •
- Legal and social aspects

## **Important Dates:**

- The deadline for paper submission: April 4, 2010 extended May 10, 2010
- The date for notification: May 31, 2010 extended June 10, 2010 •
- The date for camera-ready paper submission: July 2, 2010

## **Submission of Papers:**

Papers are invited from prospective authors with interests in this special session and related areas of application. Submissions of the full-paper format, with a maximum length of 6 pages (papers that exceed 4 pages are subject to page charges), should follow IEEE proceedings layout (10pt, two-column format). All papers are to be submitted electronically in PDF format to the special session organisers. Details of the required format are published the official IIH-MSP 2010 website paper at (http://bit.kuas.edu.tw/~iihmsp10/ or http://www.igd.fraunhofer.de/igd-a8/iihmsp10/).
