

The Six International Conference on Intelligent Information Hiding and Multimedia Signal Processing (IIH-MSP 2010)

Call for Paper

Invited Session on **Computational Intelligence and Security** for IIH-MSP 2010

October 15-17, 2010
Darmstadt, Germany

Session Organizer: Prof. Xuan Wang, Dr. Yong Zhang and Dr. Yong Xu

We are organizing a special session on **Computational Intelligence and Security** for IIH-MSP 2010, which will be held in Darmstadt, Germany on October 15-17, 2010. It brings together researchers working across this field to share their experience and discuss advanced techniques. Topics of interest include, but are not limited to:

- Artificial Intelligence
- Machine Learning
- Pattern Recognition
- Mobile Computing
- Service Computing
- Biological Computing
- Information Security
- Network Security
- Data Security
- Intelligence Network Technology and Application

Paper Submission

Papers are invited from prospective authors with interest in this particular special session and related areas (oral or poster presentations). All contributions should be original and not published elsewhere or intended to be published during the review period. Each paper should follow the IEEE format with titles, authors' names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format to the special session organizers:
