The 13th International Conference on Intelligent Information Hiding and Multimedia Signal Processing (IIHMSP-2017)

August 12-15, 2017, Matuse, Shimane, Japan

CALL FOR PAPERS

SPECIAL SESSION: **Wearable Computing, IOT Privacy and Information Security**

This special session combines advanced research themes in wearable computing, internet of thing (IOT) privacy, and information security. The special session provides an international forum for researchers and specialists from the fields of wearable computing, IOT privacy and security, and data hiding. Other related topics such as context-aware, health care for elders, activity recognition, security in wireless sensor networks, etc. are welcome to be shared in this session.

Full Paper Due Date: **Jan. 31, 2017**
Acceptance Notification: **Feb. 20, 2017**
Camera-ready Paper Deadline: **Mar. 20, 2017**

SUBMISSION OF PAPERS

Papers are invited from prospective authors with interests in this special session and related areas of application. All contributions should be original and not published elsewhere or intended to be published during the review period. Contributions from applied related fields in industry and commerce are very welcome. Details of the required paper format are available at the IIH-MSP-2017 website (http://bit.kuas.edu.tw/~iihmsp17/). For further information, please contact

Special Session Organizers:

Dr. Ching-Yu Yang (chingyu@gms.npu.edu.tw)
National Penghu University of Science and Technology, Taiwan.
Dr. Wen-Fong Wang (wwf@yuntech.edu.tw)
National YunLin University of Science and Technology, Taiwan.
