SUBMISSION OF PAPERS

Papers are invited from prospective authors with interests in this particular invited session and related areas of applications. All contributions should be original and unpublished elsewhere or intended to be published during the review period. Contributions from applied related fields in industry and commerce are also welcome.

IIH-MSP-2017 conference proceedings will be published in the book series entitled "Smart Innovation, Systems and Technologies", which is on the EI index list, by Springer. Normally, papers published in this book series will be indexed by EI when the paper quality fits the requirement and the publishing procedures (including the oral presentation) are completed. The paper length is 6-8 pages for the regular paper. Each paper is allowed to have maximum 2 extra pages with raising USD 100 registration fee per extra page. All papers must be submitted electronically in PDF format only. Details of the required paper format are available at the official IIH-MSP-2017 website (http://bit.kuas.edu.tw/~iihmsp17). For further information, please contact the session organizers given below.
