

*The First International Conference on Pervasive Computing, Signal  
Processing and Applications (PCSPA2010)*

*September 17-19, 2010*

*Harbin Institute of Technology, China*

**Call for Paper**

**Invited Session on Distributed Network Computing, Security  
and Applications**

**Session Organizer: Dr. Zhenhua Tan**

We are organizing an invited session on Distributed Network Computing, Security and Applications for PCSPA2010, which will be held in Harbin, China on September 17-19, 2010. This session deals with new technologies for distributed networks systems and applications. Topics of interest include, but are not limited to:

1. Routing Security for all kinds of networks especially in overlay network
2. Cryptology for network information especially in distributed network
3. Trust measurement for network information
4. P2P E-Commerce
5. Uncertain data management for low-bandwidth network such as sensor networks
6. Distributed worm/virus model research and its recovery or defense study
7. Copyright management for network sharing system
8. Mobile network security
9. New application or theory for network information security

**Submissions:**

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. Details of the required paper format are published at the official PCSPA2010 website (<http://bit.kuas.edu.tw/~pcspa10/index.html>). All papers must be submitted electronically in PDF format only and be mailed to: Dr. Zhenhua Tan at [tanzhenhua192@126.com](mailto:tanzhenhua192@126.com)

**Important Dates:**

Deadline for submission May 20, 2010

Notification of acceptance June 20, 2010

Camera-ready deadline July 20, 2010
