

*The First International Conference on Pervasive Computing, Signal
Processing and Applications (PCSPA2010)
September 17-19, 2010
Harbin Institute of Technology, China*

Call for Paper
**Invited Session on Soft Computing to Industrial Management &
Applications**

We are organizing an invited session on **Soft Computing to Industrial Management & Applications** for PCSPA2010, which will be held in Harbin, China on September 17-19, 2010. This session deals with new technologies for industrial management & applications. Topics of interest include, but are not limited to:

1. Production/Operations management & applications using SC
2. Marketing management & applications using SC
3. Technology management & applications using SC
4. Human resource management & applications using SC
5. Finance management & applications using SC
6. Information management & applications using SC
7. Project management & applications using SC
8. Other emerging approaches to Soft Computing

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. Details of the required paper format are published at the official PCSPA2010 website (<http://bit.kuas.edu.tw/~pcspa10/index.html>). All papers must be submitted electronically in PDF format only and be mailed to: Prof. Tien Tsai Huang at normanbb@mail.lhu.edu.tw.

Important Dates:

Deadline for submission May 20, 2010
Notification of acceptance June 20, 2010
Camera-ready deadline July 20, 2010
