

**The First International Conference on Robot, Vision and Signal
(RVSP-2010)
November 21-23, 2011, Kaohsiung, Taiwan**

CALL FOR PAPERS

Network and Information Security

Session Organizer: Prof. Tianhua Liu&Dr.Xiushuang Yi

This session deals with new technologies for Network and Information Security. This special session discuss the latest developments in theory, emerging technologies, and progress in standards, services and their applications in various areas of information security. Topics of interest include, but are not limited to:

1. Cryptographic Algorithms
2. Security Protocols
3. Identification and Authentication
4. Operating System Security
5. Database Security
6. Network Security
7. E-Business Security
8. Auditing and Intrusion Detection
9. Secure Software Engineering / Software Security
10. Virus / Anti-Virus

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE paper format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to: liutianhua@sina.com or xsyi@mail.neu.edu.cn.

Important Dates:

Deadline for paper submission: **May 5, 2011**

Notification of acceptance: **July 1, 2011**

Deadline for camera-ready manuscript submission: **August 1, 2011**
