Call for Paper

Invited Session on Simulation techniques and automation system in industry

Session Organizer: Dr. Wei-Tzer Huang and Dr. Shyi-Wen Wang

We are organizing an invited session on Simulation techniques and automation system in industry for RVSP-2011, which will be held in Kaohsiung, Taiwan on November 21-23, 2011. This session deals with new technologies for Simulation techniques and automation system in industry. Topics of interest include, but are not limited to:

1. Simulation techniques
2. Power system Applications
3. System Modeling, Analysis, Optimization and Simulation
4. Automatic Measurement Technology
5. Motor Drive Systems Design and Implementation
6. Intelligent Control
7. Evaluation of Control Course
8. Applications for automation system in industry
9. Others about simulation techniques

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to: Dr. **Wei-Tzer Huang** at vichuang@ieee.org

Important Dates:
