Special Session of International Conference on Computational Aspects of Social Networks 2010 (CASoN 2010)

Session Title：Pattern Analysis and Optimization

Session Chair：Prof. Xue-Mei Yang

We are organizing a special session on Pattern Analysis and Optimization for The International Conference on Computational Aspects of Social Networks-2010(CASoN 2010) which will be held in Taiyuan city in September 26-28,2010. This session deals with new technologies(theory, applications) for Pattern Analysis and Optimization. Topics of interest include but are not limited to:

- Theories on Pattern Analysis
- Application on Pattern Analysis
- Kernel Methods for Pattern Analysis
- Object Recognition in Image Processing
- Theories on Optimization
- Application of Optimization in Pattern Analysis
- New Method on Optimization
- Others

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10pts. All papers must be submitted electronically in PDF format only and be email to Prof. Xue-Mei Yang at：
xmyang412@gmail.com

Important Dates:

Deadline for paper submission: April 30, 2010
Notification of acceptance: May 31, 2010
Deadline for camera-ready manuscript submission: July 2, 2010
