

**The First Euro-China Conference on Intelligent Data Analysis and  
Applications (ECC 2014)**  
**June 13-15, 2014**  
**Shenzhen, China**

**CALL FOR PAPERS**

**INVITED SESSION: Intelligent Data Analysis for Social Networks**

We are organizing an invited session on Intelligent Data Analysis for Social Networks for ECC-2014, which will be held in Shenzhen, China on June 13-15, 2014. This session provides a forum for researchers and practitioners to discuss the progress and vision of applying intelligent data analysis techniques for social networks applications. Topics of interest include, but are not limited to:

1. Machine Learning Techniques for Social Networks
2. Data Mining Techniques for Social Networks
3. Biological-inspired Techniques for Social Networks
4. Link Analysis Approaches for Social Networks
5. Content-based Approaches for Social Network
6. Framework and Theory for Social Networks Analysis
7. Applications of Social Networks
8. thers related to Social Networks Analysis

**Important Date**

Deadline of submission: **January 22, 2014**

The date for notification: **February 22, 2014**

The date for camera-ready submission: **March 22, 2014**

**SUBMISSION OF PAPERS**

Papers are invited from prospective authors with interests in this particular special session and related areas of application. All contributions should be original and not published elsewhere or intended to be published during the review period. All submissions should follow **LNCS (Springer) format** with titles, author names, affiliation, and email addresses with **8-10 pages (single column)**.

**Special Session Organizers:**

Prof. Hsin-Chang Yang (yanghc@nuk.edu.tw),  
National University of Kaohsiung, Taiwan
