

CALL FOR PAPERS

The First Euro-China Conference on

Intelligent Data Analysis and Applications

ECC2014
13-15, June, 2014
Shenzhen, China
<http://bit.kuas.edu.tw/~ecc14/>
<http://iiirc.hitsz.edu.cn/ECC2014/>

Honorary Chairs

Han-Chieh Chao, Taiwan

Advisory Committee Chairs

Tzung-Pei Hong, Taiwan

Bin-Yih Liao, Taiwan

Conference Chairs

Jeng-Shyang Pan, China

Vaclav Snasel, Czech Republic

Program Committee Chairs

Emilio S. Corchado, Spain

Ajith Abraham, USA

Shyue-Liang Wang, Taiwan

Invited Session Chairs

Wu-Chih Hu, Taiwan

Kuo-Kun Tseng, China

Local Management Chairs

Chun-Wei Lin, China

Chien-Ming Chen, China

Yanfeng Zhang, China

Electronic Media Chairs

Jiun-Huei Ho, Taiwan

Tsu-Yang Wu, China

Publication Chairs

Finance Chairs

Linlin Tang, China

ECC 2014 is the first Euro-China Conference on Intelligent Data Analysis and Applications. The aim of this conference is to provide an internationally respected forum for scientific research in the broad area of intelligent data analysis, computational intelligences, single processing, and all associated applications of AIs. We sincerely invite submissions of papers presenting high-quality original research and development related to following topics, but not limited.

Topic of Interest

- Machine Learning
- Information hiding
- Knowledge-Based systems
- Intelligent applications
- Information retrieval and Integration
- Intelligent control
- Expert systems
- Databases and data mining
- Modeling and Visualization
- Signal analysis and visualization
- Signal mining and data fusion
- Multimedia sensing and sensory systems
- Watermarking: techniques, attacks, protocols, and applications
- Cryptography and cryptanalysis
- Signal control (wired & wireless)
- Multimedia sensory systems
- Computational Intelligence
- Granular computing
- Bioinformatics
- Robotics and Control
- Fuzzy systems
- Agents
- Social networking
- Web intelligence
- Cloud computing
- E-learning

Paper submission

All accepted papers will be included in the Conference Proceedings, which will be published by Springer as part of their series Studies in Advances in Intelligent and Soft Computing. Papers have at most 10 pages length and be formatted according to Springer format (MS Word, Latex) available at: <http://www.springer.com/series/4240>. Before submitting your papers, please register to get the user ID and password for the paper submission. Excellent accepted papers will be selected for considerable publication in the special issues of *Journal of Internet Technology (SCI)*, *Journal of Information Hiding and Multimedia Single Processing (EI)*, and *Journal of Computers (EI)*.

Important Date

Deadline of submission: January 22, 2014

The date for notification: February 22, 2014

The date for camera-ready submission: March 22, 2014

The date for registration: March 22 to May 21, 2014
