

Session Organizer: Prof. Tien Tsai Huang

I am organizing a special session on [Soft Computing to Industrial Management & Applications](#) for HIS 2009, which will be held in Shenyang on August 12-14, 2009. It brings together researchers working across this field to share their experience and discuss advanced techniques. Topics of interest include, but are not limited to:

1. Production/Operations management & applications using SC
2. Marketing management & applications using SC
3. Technology management & applications using SC
4. Human resource management & applications using SC
5. Finance management & applications using SC
6. Information management & applications using SC
7. Project management & applications using SC
8. Other emerging approaches to Soft Computing

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 to 6 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to normanbb@mail.lhu.edu.tw

Important Dates:

Deadline for paper submission ----- **March 1, 2009**

Notification of acceptance ----- **April 1, 2009**

Final camera-ready papers due ----- **May 1, 2009**
