Ninth International Conference on Hybrid Intelligent Systems
HIS-2009
August 12-14th, 2009, Shenyang, LiaoNing, China
CALL FOR PAPERS

SPECIAL SESSION: *Intelligent Services and Applications for Digital Home*

The technology of intelligent multimedia services, particularly about automotive multimedia applications/systems for digital homes, demonstrates exponential-growth in research and industrial. To share the experiences of research, development, deployment and maintenance, this special session invites worldwide colleagues to present their contributions in (but not limited)

1. Software and hardware designs/implementations for home multimedia applications
2. Intelligent multimedia services for smart home
3. Self-management/automatic multimedia service and networks
4. intelligent networking technology for e-commerce, education, health-care, and learning.
5. Social network analysis and applications for living Intelligence

Full Paper Due Date: March 1, 2009
Notification: April 1, 2009
Camera-ready Paper Deadline: May 1, 2009

SUBMISSION OF PAPERS

Papers are invited from prospective authors with interests in this particular special session and related areas of application. All contributions should be original and not published elsewhere or intended to be published during the review period. Contributions from more applied related fields in industry and commerce are very welcome. All papers are to be submitted electronically in PDF format to the special session organisers. Details of the required paper format are published at the official ISDA08 website (http://bit.kuas.edu.tw/~his09/).
