Call for Paper
Recent Advances on Swarm Intelligence
Session Organizer: Prof. Zhihua Cui

We are organizing an invited session on Recent Advances on Swarm Intelligence for HIS-2009, which will be held in Shenyang, China on August 12-14, 2009. This session deals with new technologies and applications for swarm intelligence. Topics of interest include, but are not limited to:

1   Swarm Intelligent Algorithm, such as ant colony algorithm, particle swarm optimization, etc;
2   New developed swarm intelligent algorithm;
3   Theoretical analysis for swarm intelligent algorithm;
4   Hybrid algorithm;
5   Applications of swarm intelligent algorithms;
6   Other relating research topics to swarm intelligence.

Submissions:
Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to: Prof. Zhihua Cui at cuizhihua@gmail.com

Important Dates:
Deadline for paper submission: March 1, 2009

Notification of acceptance: April 1, 2009

Deadline for camera-ready manuscript submission: May 1, 2009
