

Organizers: Professor Yong Zhang.

Session title:

Intelligent computing for control and application

We are organizing a special session - **Intelligent computing for control and application**, for HIS 2009 which will be held in Shenyang on August 12-14, 2009. It intends to bring together researchers to share their experience and discuss advanced techniques in this exciting field. Topics of interest include, but are not limited to:

- 1. Study on intelligent control algorithms**
- 2. Intelligent control for production control**
- 3. Soft-measurement based on intelligent computing**
- 4. State recognition based on intelligent computing**

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-word abstract, and a two-column body with 4 to 6 single-spaced pages and with font size at 10 points. All papers must be submitted electronically in PDF format only and be mailed to cse_zhangy@ujn.edu.cn or cse_st@ujn.edu.cn.

Important Dates:

Deadline for submission of full papers: 1 March, 2009

Acceptance/Rejection notification: 1 April, 2009

Final camera-ready papers due: 1 May, 2009

For further information, please contact:

Pro. Yong Zhang, School of Control Science and Engineering, University of Jinan, China. cse_zhangy@ujn.edu.cn.

Dr. Tao Shen, School of Control Science and Engineering, University of Jinan, China. cse_st@ujn.edu.cn.
