

Session Organizer: Prof. Xiamu Niu

I am organizing a special session on Information Security for HIS 2009, which will be held in Shenyang on August 12-14, 2009. It brings together researchers working across this field to share their experience and discuss advanced techniques. Topics of interest include, but are not limited to:

1. Information Countermeasure Technique
2. Authentication Technology of Information Reality and Integrity
3. Data-hiding Communication Technology
4. Information Copyright Protection
5. Application of Information Processing
6. Multimedia Security Processing
7. Application of Encryption Technology
8. Other Emerging Approaches of Information Security Technology

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-word abstract, and a two-column body with 4 single-spaced pages and with font size at 10 points. All papers must be submitted electronically in PDF format only and be mailed to xiamu.niu@hit.edu.cn.

Important Dates:

Deadline for paper submission ----- **March 1, 2009**

Notification of acceptance ----- **April 1, 2009**

Final camera-ready papers due ----- **May 1, 2009**
