Invited Session on Intelligent Services and Applications of Web Search Engine

Session Organizer: Prof. Guiran Chang

I am organizing a special session on **Intelligent Services and Applications of Web Search Engine** for HIS 2009, which will be held in Shenyang on August 12-14, 2009. It brings together researchers working across this field to share their experience and discuss advanced techniques. Topics of interest include, but are not limited to:

- **Machine learning in text classification and clustering**
- **Page ranking and recommendation Algorithms**
- **Domain oriented Web search engines**
- **User behavior modeling and domain modeling**
- **Multimedia Search Engines**
- **Intelligent search engine framework**
- **Performance evaluation methods of search engines**

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-word abstract, and a two-column body with 4 single-spaced pages and with font size at 10 points. All papers must be submitted electronically in PDF format only and be mailed to chang@neu.edu.cn or silver_chuan@hotmail.com

Important Dates:

Deadline for paper submission ------ March 1, 2009
Notification of acceptance ------ April 1, 2009
Final camera-ready papers due ------ May 1, 2009
