

Session Organizer: Prof. Lingyu Xu

I am organizing a special session on [Multi-Source Data Process](#) for HIS 2009, which will be held in Shenyang on August 12-14, 2009. It brings together researchers working across this field to share their experience and discuss advanced techniques. Topics of interest include, but are not limited to:

1. **Information source estimation**
2. Noise recognition and process
3. Feature extraction
4. Uncertainty process and decision
5. Information and data fusion
6. Data conflict analyse and process
7. Remote monitoring data process

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-word abstract, and a two-column body with 4 single-spaced pages and with font size at 10 points. All papers must be submitted electronically in PDF format only and be mailed to xly@shu.edu.cn.

Important Dates:

Deadline for paper submission ----- **March 1, 2009**

Notification of acceptance ----- **April 1, 2009**

Final camera-ready papers due ----- **May 1, 2009**
