

**Second International Conference on Innovations in Bio-inspired Computing
and Applications (IBICA-2011)
December 16-18, 2011, Shenzhen, China**

**Call for Paper
Recent Advances on Swarm Intelligence**

Session Organizer: Prof. Zhihua Cui

We are organizing an invited session on Recent Advances on Swarm Intelligence for IBICA-2011, which will be held in Shenzhen, China on December 16-18, 2011. This session deals with new technologies and applications for swarm intelligence. Topics of interest include, but are not limited to:

- 1 Swarm Intelligent Algorithm, such as ant colony algorithm, particle swarm optimization, etc;
- 2 New developed swarm intelligent algorithm;
- 3 Theoretical analysis for swarm intelligent algorithm;
- 4 Hybrid algorithm;
- 5 Applications of swarm intelligent algorithms;
- 6 Other relating research topics to swarm intelligence.

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to: Prof. Zhihua Cui at cuizhихua@gmail.com

Important Dates:

Deadline for paper submission: July 30, 2011

Notification of acceptance: August 30, 2011
