

*Second International Conference on Innovations in Bio-inspired Computing
and Applications (IBICA-2011)*

December 16 - December 18, 2011, Shenzhen, China

Call for Paper

**Invited Session on Innovative Social Computing and
Applications**

Session Organizers: Shyue-Liang Wang, Tzung-Pei Hong, I-Hsien Ting

We are organizing an invited session on *Innovative Social Computing and Applications* for IBICA-2011, which will be held in Shenzhen, China on December 16 - December 18, 2011. This session deals with new technologies for social analysis, mining and application. Topics of interest include, but are not limited to:

1. Large scale on-line social network analysis
2. Connection between biological similarities and social network formulation
3. Contextual social network mining
4. Dynamics and evolution patterns of social networks
5. Crime data mining and network analysis
6. Privacy, security and social Mining
7. Applications of social network mining
8. Evolutionary techniques in social computing
9. Bio-inspired techniques in social computing
10. Others about social computing and applications

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to: Prof. Shyue-Liang Wang at slwang@nuk.edu.tw

Important Dates:

Deadline for paper submission: July 14, 2011

Notification of acceptance: August 30, 2011

Deadline for camera-ready manuscript submission: September 30, 2011
