Special Session on Innovations in Computation and Application
At

2nd International Conference on Computational Collective Intelligence Technologies and Applications - ICCCI 2010

INTRODUCTION

We are organizing a special session on **Innovations in Computation and Application** for ICCCI 2010, which will be held in Kaohsiung, Taiwan on November 10-12, 2010. It brings together researchers working across this field to share their experience and discuss advanced techniques.

Within the scope of this session, areas of interest include, but are not limited to

- Artificial Intelligence,
- Decision Making,
- Distributed Networks,
- Fuzzy Reasoning,
- Genetic Algorithms,
- Information and Computer Technologies,
- Information Security,
- Learning and Adaptive Systems,
- Management,
- Socio-economics,
- Transportation Systems,

INFORMATION FOR AUTHORS

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the LNAI (Springer) with title, authors' names, affiliations and email addresses, an up to 150-words abstract, and a single-column and single-spaced body. The manuscript should be written in English with contexts of font size at 12 pts and be limited to 12 pages (regular paper) or 8 pages (short paper).
