The Seventh International Conference on Intelligent Information Hiding and Multimedia Signal Processing (IIHMSP11)

October 14–16, 2011

Dalian, China

Call For Papers

Special Session: Digital Forensics

This special session deals with both today's practice and the theory of digital forensics. It aims to bring together leading researchers, practitioners, and educators interested in digital forensics from around the world. *Topics of interest include, but are not limited to*:

1. Digital evidence discovery, collection, storage and analysis
2. Network-based forensics
3. Small scale and mobile devices forensics
4. Systematic engineering process supporting digital forensics management
5. Forensic tools testing and development
6. Malware Forensics

Important Date

Full Paper Due Date:	**June 20, 2011 (extended)**
Notification Date:	**July 10, 2011**
Camera-ready paper Deadline:	**July 25, 2011**

Submission of Papers

Papers are invited from prospective authors with interests in this particular special session and related areas of application. Each paper should follow the IEEE paper format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to: Dr. Zoe L. JIANG at iihmsp11.is13@gmail.com. Details of the required paper format are published at the official IIHMSP2011 website http://bit.kuas.edu.tw/~iihmsp11.

The Conference Proceedings will be published by *the Conference Publishing Service of the IEEE*. Extended versions of selected papers will be published in the *KES journal* and Springer-Verlag in '*Studies in Computational Intelligence*' series.
