

## CALL FOR PAPERS

### Invited Sessions on Advances in Biometrics

To contribute to the 9<sup>th</sup> Int. Conf. on Intelligent Information Hiding and Multimedia Signal Processing (IIH-MSP 13), October 16-18, 2013, Beijing, China

IIH-MSP 2013 is the ninth International Conference on Intelligent Information Hiding and Multimedia Signal Processing. This year the conference is co-sponsored by IEEE and hosted by the Beijing University of Technology, China. The proceedings shall be included in IEEE Xplore Digital Library.

In IIH-MSP 2013 the Advanced Biometrics session(s) shall cover the following aspects:

1. Improved methods for biometric recognition and performance evaluation
2. Biometrics as services
3. Security and privacy issues
4. New biometric sensing technologies and new applications

We solicit submissions in full-papers presenting high quality original research and development related to

#### Domain 1: Improved methods for recognition and performance evaluation

- New biometric modalities / features
- Continuous biometric authentication
- Multi-biometrics and fusion
- Sample and sensor quality assessment

#### Domain 2: Biometrics as services

- Biometric web services
- Cloud biometrics
- Off-the-shelf technologies for biometrics

#### Domain 3: Security and privacy issues

- Biometric template protection methods
- Anti-spoofing devices and algorithms
- Security and privacy assessment

#### Domain 4: New biometric sensing technologies and new applications

- New sensing technologies for biometrics
- General-purposed devices for biometrics
- Mobile biometrics
- Medical biometrics

Participants are requested to send their papers in full-paper format, with a length between 4 and 6 pages in A4 size (pages beyond 4 are subject to additional cost). Submissions should be sent in MS-Word or PDF format according to IEEE standards to the following e-mail addresses:

**xuebing.zhou@cased.de** or **bian.yang@hig.no**

#### Important Dates:

- The deadline for paper submission: **May 31st, 2013**
- The date for notification: June 30th, 2013
- The date for camera-ready paper submission: August 10th, 2013

#### Organizing committee:

- Patrick Bours, *Gjøvik University College, Norway*
- Christoph Busch, *Gjøvik University College, Norway*
- Alexander Nouak, *European Association for Biometrics (EAB) / Fraunhofer IGD, Germany*
- Stephen Wolthusen, *Royal Holloway, University of London, United Kingdom*
- Xuebing Zhou, *Center for Advanced Security Research Darmstadt (CASED), Germany*
- Bian Yang, *Gjøvik University College, Norway*

#### Co-sponsor:

European Association for Biometrics (EAB)
