

The Ninth International Conference on Intelligent Information
Hiding and Multimedia Signal Processing (IIH-MSP 2013)
October 16-18, 2013
Beijing, CHINA

CALL FOR PAPERS

SPECIAL SESSION: Intelligent Information Processing and Pattern Recognition

This session is intended to provide an international exchange platform for in-depth discussion of the direction of intelligent information processing and pattern recognition, including theory progress and application results of intelligent transportation, multi-source image fusion, semi-supervised learning direction. This session aims to bring together researchers, scientists, engineers and scholar students in this domain from the world to exchange and share their experiences, ideas and results.

Full Paper Due Date: May 5, 2013

Notification: June 30, 2013

Camera-ready Paper Deadline: August 10, 2013

SUBMISSION OF PAPERS

Prospective authors are welcomed to submit papers closely related to this special session and relevant areas. All contributions should be original and not published elsewhere or intended to be published during the review period. Contributions from applied related fields in industry and commerce are very welcome. All papers are submitted electronically in PDF format to the special session organizers. Details of the required paper format are available at the official IIH-MSP 2013 website (<http://www.bjut.edu.cn/college/dzxxkz/iihmsp13>). For further information contact:

Special Session Organizers:

Chen Tianhua (cth188@sina.com)

Beijing Industry and Commerce University Professor of Computer and Information Engineering,
China

Lian xiaoqin (lianxq@263.net)

Beijing Technology and Business University Professor of Computer and Information Engineering,
