

**The Ninth International Conference on Intelligent Information
Hiding and Multimedia Signal Processing (IIH-MSP 2013)**

October 16-18, 2013

Beijing, CHINA

CALL FOR PAPERS

SPECIAL SESSION: Multimedia Signal Processing and Security

This special session combines advanced research themes in signal processing, security, encryption, authentication and hiding for 2D and 3D multimedia. The special session will provide an international forum for researchers and specialists in the fields of multimedia security, signal encryption, digital watermarking, and data hiding.

IMPORTANT DATES:

Full Paper Due Date: May 5, 2013

Notification: June 30, 2013

Camera-ready Paper Deadline: August 10, 2013

SUBMISSION OF PAPERS:

Papers are invited from prospective authors with interests in this particular special session and related areas of application. All contributions should be original and not published elsewhere or intended to be published during the review period. Contributions from more applied related fields in industry and commerce are very welcome. All papers are to be submitted electronically in PDF format to the special session organizers. Details of the required paper format are available at the official IIH-MSP 2013 website (<http://www.bjut.edu.cn/college/dzxxkz/iihmsp13>). For further information, please contact:
