CALL FOR PAPERS

SPECIAL SESSION: *MULTIMEDIA SECURITY and PRIVACY*

This special session combines advanced research themes in fundamental techniques and algorithms for multimedia security and privacy as well as novel applications using these ones. The special session will provide an international forum for researchers and academicians in the fields of fundamental tools for multimedia security and privacy (authentication, biometrics, cryptography, information hiding, anonymity-related techniques etc.) and network and systems for them (DRM, copyright protection, intrusion detection, digital forensics, privacy preserving systems etc.) to present their latest results in these areas.

Full Paper Due Date: May 31,   2014

Notification: June 20,   2014

Camera-ready Paper Deadline: July 1,   2014

SUBMISSION OF PAPERS
Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE paper format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to: Prof. Isao Echizen at iechizen@nii.ac.jp . Details of the required paper format are published at the official IIHMSP2014 website (http://bit.kuas.edu.tw/~iihmsp14).
