THE TENTH INTERNATIONAL CONFERENCE ON INTELLIGENT INFORMATION HIDING AND MULTIMEDIA SIGNAL PROCESSING

(IIH-MSP 2014)
August 27-29, 2014
Kitakyushu, Japan

CALL FOR PAPERS

SPECIAL SESSION: New Advances on Multimedia Security and Forensics

This session focuses on the advances of multimedia security and forensics. The special session invites fundamental techniques and algorithms for multimedia security issues, as well as emerging applications related with this topic. The invited session will provide international forum for researchers and specialists in the fields of multimedia information security, digital forensics, data hiding, and other related fields.

Full Paper Due Date: May 15, 2014
Notification Date: June 15, 2014
Camera-ready paper Deadline: July 1, 2014

SUBMISSION OF PAPERS

Papers are invited from prospective authors with interests in this particular special session and related areas of application. All contributions should be original and not published elsewhere or intended to be published during the review period. Contributions from more applied related fields in industry and commerce are very welcome. All papers are to be submitted electronically in PDF format to the special session organizer. Details of the required paper format are published at the official IIHMSP'14 website (http://bit.kuas.edu.tw/~iihmsp14/).
