Hiding and Multimedia Signal Processing (IIH-MSP 2015)
September 23-25, 2015, Adelaide, Australia**

CALL FOR PAPERS

SPECIAL SESSION: **Multimedia Signal Processing and Network Technology**

This special session combines advanced research themes in multimedia signal processing and network technology. The special session provides an international forum for researchers and specialists from the fields of multimedia signal processing, image processing, computer vision, pattern recognition, and multimedia networking. All aspects of the related fields in terms of theories and applications are welcome to be shared in this session.

Full Paper Due Date: **April 15, 2015**

Notification: **June 1, 2015**

Camera-ready Paper Deadline: **July, 2015**

SUBMISSION OF PAPERS

Papers are invited from prospective authors with interests in this special session and related areas of application. All contributions should be original and not published elsewhere or intended to be published during the review period. Contributions from applied related fields in industry and commerce are very welcome. Details of the required paper format are available at the IIH-MSP 2015 website (<http://bit.kuas.edu.tw/~iihmisp15/>). All formatted papers should be directly submitted electronically in PDF to the organizer(s) via email (seanlin@mail.lhu.edu.tw). For further information, please contact
