

**The Eleventh International Conference on Intelligent Information
Hiding and Multimedia Signal Processing IIH-MSP 2015**

September 23-25, 2015 Adelaide, Australia

CALL FOR PAPERS

**Special Session on Visual Data Protection Tools and
Applications**

This special session focuses on the development of protection tools and applications for visual data. It will provide an international forum for researchers and specialists in the fields of visual content protection and applications. Topics of interest include, but are not limited to:

1. Steganographic Tools and Applications
2. Visual Data Protection and Sharing Techniques
3. Intelligent Multimedia Tools and Applications

Full Paper Due Date: **April 15, 2015**

Notification: **June 1, 2015**

Camera-ready Paper Deadline: **July 1, 2015**

Submission of Papers

Papers are invited from prospective authors with interests in this particular special session and related areas of application. All contributions should be original and not published elsewhere or intended to be published during the review period. Contributions from more applied related fields in industry and commerce are very welcome. All papers are to be submitted electronically in PDF format to the special session organizers. Details of the required paper format are available at the official IIH-MSP 2015 website (<http://bit.kuas.edu.tw/~iihmsp15/>). For further information, please contact:
