CALL FOR PAPERS

SPECIAL SESSION: Technologies for Next-Generation Network Environments

Networks have become the foundation of new services. We are seeing integration of heterogeneous networks that provide data close to people. The goal of this special issue is to collect high-quality papers related to technologies for next-generation network environments. This special issue welcomes researchers from both academia and industry to provide solutions.

Deadline for Submission: April 15, 2015

Notification of Acceptance: June 1, 2015

Camera-ready Deadline: July 1, 2015

Papers are invited from prospective authors with interests in this special session and related areas of application. All contributions should be original and not published elsewhere or intended to be published during the review period. Contributions from applied related fields in industry and commerce are very welcome. Details of the required paper format are available at the IIH-MSP 2015 website (<http://bit.kuas.edu.tw/~iihmsp15/>).
