The 12th International Conference on Intelligent Information Hiding and Multimedia Signal Processing (IIHMSP-2016)

November 21-23, 2016 Kaohsiung, Taiwan

CALL FOR PAPERS

SPECIAL SESSION: **IPv6 Network Management and Services**

This special session combines advanced research themes in IPv6 network management and services. The special session will provide an international forum for researchers and specialists in the fields of IPv6 network management, IPv6 security, IPv6 applications and IPv6 services. Other related topics such as mobile Internet, 4G VoLTE, Public WLAN, etc. are welcome to be shared in this session.

Full Paper Due Date: **June 15, 2016**

Notification: **August 1, 2016**

Camera-ready Paper Deadline: **September 1, 2016**

SUBMISSION OF PAPERS

Papers are invited from prospective authors with interests in this special session and related areas of application. All contributions should be original and not published elsewhere or intended to be published during the review period. Contributions from applied related fields in industry and commerce are very welcome. Details of the required paper format are available at the IIH-MSP-2016 website (http://bit.kuas.edu.tw/~iihmsp16/). For further information, please contact
