

2008 International Conference on Intelligent System Design and Application (ISDA-08)

November 26 - 28
Kaohsiung City, Taiwan

Call for Paper

Invited Session on Intelligent User Interface Design and Application

Session Organizer: Prof. Ming-Che Hsieh

I am organizing a special session on **Intelligent User Interface Design and Application** for ISDA 2008, which will be held in Kaohsiung City, Taiwan on November 26 - 28. It brings together researchers working across this field to share their experience and discuss advanced techniques. Topics of interest include, but are not limited to:

- Agent-based intelligent user interface
- Intelligent user interface modeling
- Intelligent human-computer interaction
- Usability, ergonomics, and intelligent user interface evaluation
- Multi-perception technology
- Intelligent user interfaces for ubiquitous computing
- Intelligent user interfaces for augmentative and alternative communication
- Other emerging approaches to intelligent user interface design and application

Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to hmz@nttu.edu.tw.

Important Dates:

Deadline for paper submission ----- **May 1, 2008**

Notification of acceptance ----- **June 1, 2008**

Deadline for camera-ready manuscript submission ----- **July 1, 2008**
