

## Session Organizer: Bih-Yaw Shih Ph.D. & Chu-Fu Wang Ph.D.

We are organizing a special session on [Novel Computation on Networking and Multimedia Communication](#) for ISDA 2008, which will be held in Kaohsiung City, Taiwan on November 26 - 28. It brings together researchers working across this field to share their experience and discuss advanced techniques. Topics of interest include, but are not limited to:

1. Novel Computation on mobile and ubiquitous system
2. Novel Computation on ad hoc and sensor networks
3. Novel Computation on web service and performance
4. Novel Computation on network security
5. Novel Computation on multimedia communication
6. Novel Computation on multimedia processing and retrieval
7. Other emerging computation on computer systems

### Submissions:

Papers are invited from prospective authors with interest on the related areas. Each paper should follow the IEEE format with title, author's names, affiliation, email addresses, an up to 150-words abstract, and a two-column body with 4 single-spaced pages and with font size at 10 pts. All papers must be submitted electronically in PDF format only and be mailed to [cfwang@mail.npue.edu.tw](mailto:cfwang@mail.npue.edu.tw)

### Important Dates:

Deadline for paper submission ----- **May 1, 2008**

Notification of acceptance ----- **June 1, 2008**

Deadline for camera-ready manuscript submission ----- **July 1, 2008**

### For more information please contact:

**Bih-Yaw Shih Ph.D.**
