

Eight International Conference on Intelligent System Design and Application (ISDA 2008)

November 26 - 28
Kaohsiung City, Taiwan

Call for Paper Invited Session on Intelligent Adaptive Control Systems

Session organiser: Massimo De Gregorio

I am organising a special session on [Intelligent Adaptive Control Systems](#) for ISDA 2008, which will be held in Kaohsiung City, Taiwan on November 26 - 28. It brings together researchers working across this field to share their experience and discuss advanced techniques. Topics of interest include, but are not limited to:

- Adaptive Controller for Robotic Systems
- Adaptive Coordination for Multi Agent Systems
- Intelligent Environment and Multi Agent Systems
- Artificial Neural Networks for Adaptive Controller
- Genetic Algorithms for Adaptive Controller
- Evolutionary Algorithms for Adaptive Controller

Paper Submission

Prospective contributors are encouraged to submit papers and to attend ISDA 2008. Each paper will be reviewed by at least two referees. Accepted papers will be included in the proceedings volume. Full papers (complete with title, author's names, affiliation, e-mail addresses, illustrations, an up to 150 word abstract, and at most 4 double-column single-spaced pages long and prepared according to IEEE format) should be submitted electronically in PDF format. To this purpose, the Corresponding Author of each submitted paper should send by May 1st, 2008 her/his paper as an attached file to m.degregorio@cib.na.cnr.it.

The electronic file should be named with the surname of the Corresponding Author, followed by the appropriate extension. The text of the accompanying e-mail message should include: contact information for the corresponding author; names and addresses of all authors (including e-mail and fax); an up to 150 word abstract; 3-5 keywords; at least 1 topic of interest.

Important Dates

Deadline for paper submission:	May 1, 2008
Notification of acceptance:	June 1, 2008
Deadline for camera-ready manuscript:	July 1, 2008
